Notes:

1. *Proof of English language proficiency at B2.2 level or achievement within the program is mandatory within the program. The student confirms the level of English language proficiency in accordance with the "Rules for Determining the Language Competence of a Kutaisi University Student";*
2. *Within the framework of the program, the student starts learning English from the level confirmed according to the mentioned rule. In case the student fails to prove his / her English language proficiency at A2 level, he / she starts learning English within the program from the appropriate level certified according to the rule (English A1 / English A2); The level required for starting English level B1.1 (levels A1 and A2) is selected by the student from the list of elective courses of the free component provided by the program;*

3. *A student who confirms his / her English language proficiency at B2 level in accordance with the above rule is exempted from mastering the English language component and fills the English language credits (20 credits) by choosing elective courses in the main field of study. If the level confirmed by the student is higher than the initial level defined by the program (B1.1), the remaining credits are filled by the student with the credits of the elective courses in the main field of study.*
4. *The credits of the free component, within the framework of which the student is given the opportunity to choose study courses from any educational program of the relevant level operating in the University, can be obtained by the elective study courses of the main field of study of the bachelor's Program in Business Administration.*
